Wm. HENRY MAULE, Inc. - 21st. and Arch Sts., Philada., Pa.

1877 ONCE GROWN Maule's Seeds 1920 ALWAYS GROWN

We thank our old customers for their past patronage and look forward to a continuance of same. Every new customer is assured of our endeavors to satisfy them and make them permanent buyers of Maule's seeds year after year.

Reduced Prices to Market Gardeners and Florists

For years it has been our policy of supplying the best strains of seeds, plants and bulbs obtainable to market gardeners and florists at reduced prices. Not since 1889 have we sold through retail dealers. Both our customers and ourselves have found this direct-to-planter selling method a real advantage, insuring, as it does, economy, fresh seeds, plants and bulbs. Sprayers, spraying materials, tools, etc., have also been included in this list. If there is anything that you want not offered in this list, write us and we will be pleased to quote you our best prices. Half pounds may be ordered at pound rates; half pecks at peck rates; half bushels at bushel rates; not less than 6 bulbs at the dozen rate; not less than 25 at 100 rate; not less than 250 at 1000 rate.

All goods are offered subject to being unsold on receipt of order, and we reserve the right to change prices without notice.

Special Terms

Cash with order, or satisfactory bank reference. Money may be sent by post office or express money order, draft, check or registered letter. We will send C. O. D., by parcel post or express, orders amounting to \$15.00 or over if one-fourth of the amount is remitted with the order to guarantee acceptance. We cannot send C. O. D. by freight.

Maule's Tested Seeds

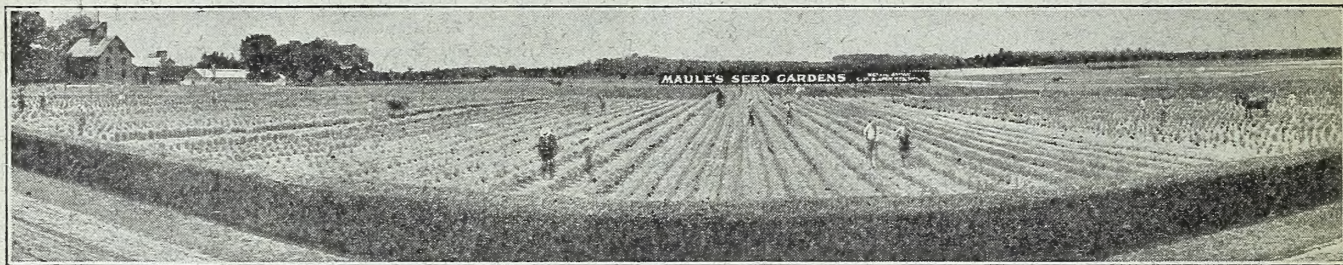

Every new strain is tried out, and close attention given to the development or improvement of old favorites. Such care is at the foundation of the reputation that Maule's seeds, plants and bulbs have won, "Once Grown, Always Grown."

For tests of new seeds and experiments with older strains we maintain extensive trial grounds at Newfield, N. J.

For proving before planting, every lot of seed that comes into our warehouse is subjected to a germination test. No test will warrant a guarantee that seeds will grow. Results must depend upon weather, soil conditions and cultivation. We do all we can to start you right.

Announcement

We have opened a large store on the first floor of our seed house, where we are enabled to render prompt and efficient service to those who wish to call for their seeds, bulbs, and for whose benefit we have added a full line of gardening tools, spraying materials, sundries, etc. If inconvenient to call, and you wish goods sent C. O. D. or you have a charge account with us, phone Bell, Spruce 4684, or Keystone, Race 766, and your orders will have our prompt attention.

What Maule Does

We Prepay Shipping Charges

We pay freight or express charges, our option, to your nearest railroad station on all order for small seeds amounting to \$10.00 or over. Transportation charges are not prepaid on orders containing heavy seeds, such as peas, beans, corn, potatoes, roots, vegetable plants, onion sets, nor on sprayers, spraying materials, tools, etc.

We Make No Charge

for bags, boxes, crates or packing, nor for delivery to freight, boat or express offices in Philadelphia.

We Will Ship Your Order Promptly

You will find it advantageous to order all the seed you will need at once, so as to have your full supply reserved. If you wish, we will ship the seeds for early planting at any date you name, and hold the balance of your order to be shipped later.

What You Should Do

Order Early

Be sure to get your order in early. While our supply of seeds should be adequate, yet the demand is certain to tax us heavily. The earlier you order, the more certain you are of having seeds exactly when they are needed for proper planting. Mail, express and freight are sometimes delayed, so order early.

Accurate Address

Write your full name and complete address on every order. Give your post office address and name of state and county. If you have a post office box or live on an R. F. D. route, please give the number. If the goods ordered are to go by freight or express, give shipping directions and the name of the railway station where goods are to be delivered.

The safest way to send money is by post office money order, express money order or bank draft. On all amounts of \$1.00 or over you may purchase your money order or register your letter at our expense. Stamps will be acceptable as cash.

Maule's Remarkable Four Leaf Clover Guarantee

1. Safe Arrival. We guarantee that all goods, except perishable plants, will reach the customer in good condition.

2. Money Insured. We further hold ourselves responsible for the safe arrival of all remittances sent by post office money order, express money order, draft, check or registered letter.

3. As to Delivery. We guarantee to deliver free of all transportation charges to your nearest railroad station all orders amounting to \$10.00 or more, if for small seeds only. On orders for small seeds less than \$10.00, or for peas, beans, corn, potatoes, onion sets, roots, bulbs, plants, tools, etc., we will not pay carrying charges, but such articles as can be mailed, we will deliver by parcel post if you will remit the amount of postage required with your order.

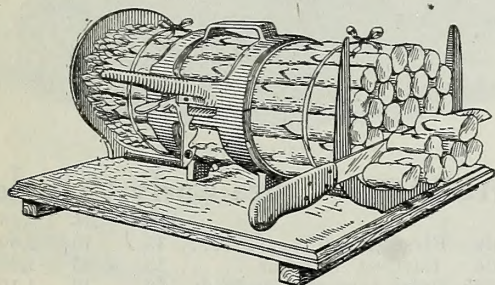

4. As to Crops. Under the varying conditions of soil and climate, it is absolutely impossible for any seedsman to guarantee the results of seeds, bulbs or plants. We, WM. HENRY MAULE, INC., therefore, in common with all American Seedsman, give no warranty, express or implied, as to the description, quality, productiveness or any other matter of any seeds, plants and bulbs we send out, and we will not be in any way responsible for the crop. We cannot, under any circumstances, assume responsibility for more than the actual price paid for seeds, plants or bulbs. If the purchaser does not accept the goods on these terms, they are at once to be returned; but we do guarantee that we will use every effort to send you the best seeds, plants and bulbs procurable, of such varieties as you may order.

Maule's Frost Proof Cabbage Plants

Will Double Your Profit—Why?

Because they mature heads which can be marketed two to three weeks earlier than your home grown plants and you get early market prices

There are a number of sea islands along the South Carolina sea coast where the soil and climatic conditions are just suited and well adapted for growing tough, hardy frost proof cabbage plants during the winter and early spring. The seed is planted in the open field; the plants make a slow but steady growth, until at 8 to 10 weeks of age they are very tough and hardy, the buds are purple and the outer leaves a reddish brown. When in this condition they can be shipped further north. These plants have stood a temperature of 8 to 10 degrees above zero without injury; the land freezing, or the plants being covered with ice, sleet or snow, after they are planted, will not injure them.

The top of the plant does not grow until your regular spring weather opens up, but the roots grow from the time they are planted. Headed cabbage is ready 10 days to 3 weeks sooner than from any other plants.

Our cabbage plants are grown from the best Long Island grown seed and are shipped direct from our growing stations in South Carolina by mail or express. We can fill orders from Dec. 1st to April 20th.

The plants will be somewhat wilted and have a hard stunted appearance, which will be disappointing to persons who have never used these plants before. Regardless of appearance, they will produce the results.

To get the full advantage of these frost proof cabbage plants they must be planted a month or six weeks earlier than you would plant home grown plants. No less than 100 plants sold.

We can supply only the following varieties of frost proof cabbage plants: Early Jersey Wakefield, Charleston or Large Wakefield, Succession and Early Flat Dutch. No plants shipped C. O. D.

By parcel post, 50 cents per 100 of any one kind; \$1.75 per 500 of any one kind; \$3.00 per 1,000 of any one kind, postpaid.

By express, purchaser paying charges:

in lots of 1,000 to 4,000 at \$2.25 per 1,000;

in lots of 5,000 to 9,000 at \$2.10 per 1,000;

in lots of 10,000 or more at \$2.00 per 1,000.

Can be shipped to any point where they will arrive within 4 or 5 days.

Maule's Superior Flower Seeds

At the request of many of our market gardener and florist friends, we offered flower seeds, bulbs, etc., in our special price-list last year. It is very gratifying to us to say that the increase in sales was especially noteworthy, and, judging from the many letters we received, our friends were pleased with the excellent results and extra money obtained by the sale of cut flowers and potted plants, the demand for which is ever increasing. If larger quantities are wanted, or should there be anything pertaining to agriculture not herein offered, write us for special quotations. We cater to the most critical trade, and can surely please you.

Insect Destroyers and Fungus Remedies

Protect your vegetables, flowers, fruits, trees and shrubbery from insect and blight by spraying or dusting. All preparations listed on this page we have found to be the very best; directions for their use are plainly printed on each package.

Poisonous Powders and Liquids are Not Mailable. Other Articles Wanted, but not Offered by Parcel Post, Add Postage for the Weight Given

Arsenate of Lead, Powdered

For the destruction of all leaf eating insects. Safer than Paris Green. Does not burn foliage. Can be used for wet spraying and dry dusting. Has all the advantages of Arsenate of Lead Paste, but has double the strength, goes twice as far. One lb. makes from 15 to 25 gallons of solution. By express or freight, not prepaid, $\frac{1}{2}$ lb. 35c.; 1 lb. 60c.; 5 lb. \$2.55; 10 lb. \$5.00.

Arsenate of Lead, Paste

For caterpillars and chewing insects. For spraying trees and shrubs against leaf chewing insects, fruit flies and codling moth. Mixes easily in water without clogging nozzle; sticks like paint, kills quick and will not burn foliage. One application lasts a long time. One lb. makes about 12 gallons. By express or freight, not prepaid, 1 lb. can, 40c.; 5 lb. can, \$1.75; 10 lb. can, \$3.00.

Bordeaux Mixture, POWDERED

For blight, mildew, rust and Fungus diseases. Also prevents and checks black rot and scab, and acts as a deterrent for insects on fruits and vegetables. Also used for dry dusting. Dilute 1 lb. to about 8 $\frac{1}{2}$ gallons water. By express or freight, not prepaid, $\frac{1}{2}$ lb. 25c.; 1 lb. 40c.; 5 lbs., \$1.85; 10 lbs., \$3.25.

Bordeaux Mixture, PASTE

For blight, mildew, rust and Fungus diseases. Also acts as a deterrent for insects on fruits and vegetables. Can be used as needed. Dilute 1 lb. to about 4 gallons water. By express or freight, not prepaid, 1 lb. can, 35c.; 5 lb. can, \$1.35; 10 lb. can, \$2.25.

Bordo Lead, Paste

Insecticide and Fungicide—Two sprays in one. Best spray for gardens. Arsenate of Lead combined with a special Bordeaux mixture by a new process, producing in one spraying operation the killing of insects and preventing of blight, mildew, rust and fungus diseases. Splendid for all vegetables, fruits, flowers, shrubs and trees. Sticks like paint and remains on foliage. Best crop insurance. 1 lb. makes about 3 $\frac{1}{2}$ gallons. By express or freight, not prepaid, 1 lb. can, 40c.; 5 lb. can, \$1.65; 10 lb. can, \$2.85.

Key-Cide Powder

Combined Insecticide and Fungicide. Kills bugs and prevents blight, rot, mildew and fungus in one spraying operation. Can be used for wet spraying or dry dusting. Can be used for fruits, vegetables or flowers. Best complete dust or spray for gardens. 1 lb. makes about 7 gallons. By express or freight, not prepaid, $\frac{1}{2}$ lb. 30c.; 1 lb., 55c.; 5 lb., \$2.50; 10 lbs., \$4.75.

Paris Green

For use against potato bug, tobacco worm, etc. Strictly pure Paris Green, high poison content, minimum danger of burning foliage. Can be used wet or dry. By express or freight, not prepaid, $\frac{1}{2}$ lb. 20c.; 1 lb. 35c.; 5 lb., \$2.85; 14 lbs., \$7.50; 28 lbs., \$14.50.

Powdered Hellebore

Thoroughly reliable for killing currant worms, slugs, etc. Can be used when fruit is ripe and almost ready to eat. Made from roots of Hellebore, this powder is poisonous to insects but not to human beings. Apply as powder, just as it comes from package. By express or freight, not prepaid, $\frac{1}{2}$ lb., 35c.; 1 lb., 65c.; 5 lbs., \$2.75.

Cut Worm Killer

For use as poison bait against cut worms and slugs. Place around plants subject to attack. Cut worms do most of their damage in one or two nights, so advise having the killer on hand ready for use. 1 lb. is sufficient for 75 to 100 hills. By express or freight, not prepaid, 1 lb. 30c.; 5 lbs., \$1.15; 25 lbs., \$4.35; per 100 lbs., \$15.00.

Kerosene Miscible Oil

Better than Kerosene Emulsion, mixes easier, has greater killing power and is especially valuable against all soft bodied, chewing or sucking insects. Can be used on practically all insects for which Nicotine is employed. For woolly aphids on apple and thorn, it is much more effective than Nicotine. Contains 80% Kerosene. Dilute 1 part oil to 16 parts water. By express or freight, not prepaid, pint can, 40c.; quart can, 65c.; gallon can, \$1.50.

Scale Destroyer, Soluble Oil

Dormant spray for San Jose and Oyster Shell scale. Most effective for Leaf Roller. Spray for tree infesting scale and most soft bodied sucking insects. No disagreeable odor, no clogging of nozzle, or burning of the eyes like Lime Sulphur. May be used in spring or fall. Mixes easily, has no sediment, spreads and creeps into crevices of rough bark. Dilute 1 gallon to 20 gallons of water.

By express or freight, not prepaid, quart can, 55c.; gallon can, \$1.35; 5 gallons, \$6.25; 30 gallon barrel, \$26.00; 50 gallon barrel, \$39.00.

Weed Killer, Liquid

Destroys weeds in paths, roads, gutters and tennis courts. Kills roots as well as tops of all weed and grass growths. Easier and less expensive than hoeing or digging by hand. Very effective in walks and cobbled gutters without injury to road bed. Does not discolor cement. Dilute 1 part Weed Killer to 40 parts water. Usually prevents growth for season. By express or freight, not prepaid, 1-qt. can, 60c.; 1-gal. can, \$1.65; 5 gallons, \$6.75; 30 gallon barrel, \$32.00; 50 gallon barrel, \$45.00.

Dry Lime Sulphur

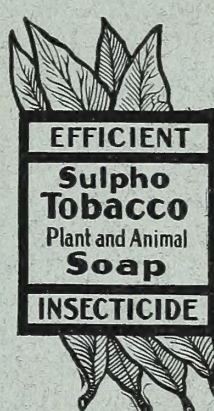

For dormant or summer spraying of fruit and shade trees, shrubs and bushes against San Jose and Oyster Shell scale, also for peach leaf curl and brown rot of peaches. Has all the effectiveness of liquid Lime Sulphur, and is much easier to handle. 1 lb. makes from 3 $\frac{1}{2}$ to 5 gallons. By express or freight, not prepaid, 1 lb. 35c.; 5 lbs., \$1.15; 10 lbs., \$2.15; 25 lbs., \$4.50; 50 lbs., \$8.00; \$15.00 per 100 lbs.

Red Wing Insect Powder

For the destruction of chicken lice, roaches, fleas, bed bugs, ants, cock-roaches, flies, etc. As a matter of fact, it will destroy all leaf eating insects that infect the garden and house plant. Harmless to man and all animals. Put up in four sizes: 10-cent size; 25-cent size; 50-cent size; \$1.00 size, each, postpaid.

Sulpho-Tobacco Soap

Destroys cabbage, squash and potato bugs, currant worms, lice, green-fly, mealy bug, red spider, etc. Sure death to all animal pests and plant insects in-door and out-of-doors. Of special value for spraying shrubs, fruit trees and vines. Produces luxuriant roses if bushes are liberally sprayed before blooming time. Acts quickly and effectively and at the same time it is a fertilizer. 3-ounce cake makes 1 $\frac{1}{2}$ gallons of prepared solution, 15c. each, postpaid. 8-ounce cake makes 4 gallons of prepared solution, 35c. each, postpaid.

Readeana Insecticide

Superior to other insecticides, inasmuch as it is harmless to flowers or vegetables, and still is a great killer of insects of every kind.
